Dear Friends;

Community Rural Arts Work League of Bamberg County (CRAWL) is hosting a reception “Expanding the Pie” on Thursday, January 24, 2019. The event will be held at Christ Episcopal Church here in Denmark, SC from 5 pm until 7 pm. The purpose is to bring together those who wish to “expand” all facets of the community at-large, especially those who will offer any type of collaboration to this end.

Invitees include Al Jenkins (Sen. Tim Scott’s office), Dr. Christopher Hall and Dr. Angelica Christie (Denmark Technical College leadership), Bob Hurst (Phoenix Specialty Manufacturing CEO, Retired), Charles Donato (Dominion Energy), Bob Reeder (Rural LISC) and other local, regional and state leaders in all areas including business, industry, education, the arts, faith and government. All impact Bamberg County. We seek to continue to foster relationships, opportunities and projects that bring together diverse and varied interests and talents in our locale.

The “Expanding the Pie” reception is another means by which we hope that collaboration will be viewed positively and it will offer to all networking possibilities. It will be through understanding our area’s culture and focused desire that the community becomes a place that will attract talent in all sectors.

Please RSVP for you and anyone who wishes to attend. We would like to mail an invitation to all; please provide to us your contact information. We look forward to your presence on January 24th. Thank you.
